Project HUAT 2024

Project HUAT 2024 has just been launched! As usual, it will be a Lunar New Year themed donation drive. This year, we are working with two homes: **Mitchell Care Home and Shalom Nursing Home**. Both homes have a total of 34 residents, and have given us a list of basic food items they need. From the **29th of Jan-7th of Feb** there will be a **donation box in the foyer**.

We will also be accepting **monetary donations**, which can be made to the schools **finance department**. These monetary donations will be used to buy other nonessential foods and supplies for the home, as well as gift hampers to spread the Lunar New Year spirit.

We hope to see your support!!

Thanks,

Phonics and Early Reading Parent Workshop

It was a pleasure to welcome parents into school on Tuesday this week to learn more about our approach to phonics and early reading at SJIIM. We are grateful to our Phonics Leader, Ms Jemma, and our English Leader, Ms Jennings for organising the event and sharing their expert guidance on these fundamental aspects of learning.

Mental Health Awareness Week

This week our students explored the importance of taking care of their mental health and developed their own set of strategies to help themselves when experiencing negative feelings such as sadness, anxiety or anger including taking deep breaths, exercise and talking to a trusted adult or friend.

Virtues Training

A selection of our teachers embarked on a series of twilight training sessions this week to deepen their skills, knowledge and understanding in leading the Virtues Programme. The sessions, led by our Virtues facilitators Ms Fried, Mr Ruxton and Ms Fedorowicz, will cover the five strands of the virtues project; speaking the language of the virtues, recognising teachable moments, honoring the spirit, companionship and setting boundaries.

FOBISIA Student Leadership Conference

Good luck to our SJIIM High School students who begin their participation in the FOBISIA Student Leadership Conference in Penang today. Twenty students from Year 7 - 12 will be working with NGOs, leaders from the business sector and around 400 other students from across Asia on a variety of service projects. The students will gain practical learning experiences and guidance on how to bring positive change to the world around them.

Y13 Achievements

We are thrilled to share with you the remarkable achievements of our Year 13 students. It is with great pride and excitement that we highlight the outstanding accomplishments of these dedicated individuals.

Last October, our year 13 students started to submit their university applications. Some of them have already received their offers from different UK universities: Bristol, Durham, Leeds, Warwick, UCL, King's College London, Imperial, York, Edinburgh, Southampton, Manchester, Birmingham; and one of our Sixth Form Scholars, *Kyeongrin Kim, received a conditional offer from CAMBRIDGE.* Let us all congratulate our year 13 students and wish them the best of luck as they continue their journey!! Please read [here](#) for more information.

Celebrating our five Lasallians of the Week in assembly. Well done to you all!
