MSSD Archery

A huge congratulations to 3 of our students who recently competed in the MSSD Archery competition. Zianne and Siobhan competed in the U15 girls competition and finished 2nd and 5th respectively. Owen, although only in yr5 competed in the U12 boys category and challenged the older boys to finish in 14th place.

Well done Owen, Siobhan and Zianne, we are all very proud of you and look forward to hearing more of your archery achievements in the future.

CELEBRATING COMMUNITY

Highlights of SJIS Parent Volunteers (SPV) funded events 2023/24

The SPV consists of volunteer parents supporting the school in creating a fun, engaging and inclusive community. Funds raised by the SPV are used to run activities for parents and students, to foster a strong SJIS Community, in line with the school's values.

THE SPV, TOGETHER WITH DEDICATED PARENT VOLUNTEERS HAVE FUNDED AND ORGANISED THE FOLLOWING SCHOOL EVENTS IN 2023/2024

Farewell Assembly for our leaving staff

SRC Fundraising Event

The SRC Fundraising Event on Wednesday was a huge success, raising a total of 647RM in just one hour! The students were able to enjoy activities such as the water sponge relay, water ping pong, or for those who wanted a more relaxing time, the arts and crafts was the place to be. I would like to thank all of the SRC for their effort in ensuring the event was such a success. Most importantly, the students participating in the event that all contributed to raising money for The Tree House Project. I thank you all.

- Mrs Weatherup

Swim Galas

Our inaugural ES House Swimming Galas continued this week. As well as races, our younger students in Y3 and Y4 also enjoyed treasure pickups as one of their events, where they collected as many items underwater and on the surface as possible. Our students gave their best in their events and it was great to see Housemates cheering on for each other throughout the event.

Results of the swim gala are as below:

Year 6: Miguel in 1st place, followed by Benilde, Mutien, and Jaime

Year 5 : Miguel and Mutien tied in 1st place, followed by Benilde and Jaime

Year 4 : Jaime in 1st place, followed by Miguel, Mutien and Benilde

Year 3 : Miguel in 1st place, followed by Mutien, Benilde and Jaime

The overall winner for the ES Y3-6 House Swimming Gala is **MIGUEL!**

Congratulations!

We believe that this event has sparked joy in our students, giving them a sense of achievement and pride. We hope this inspires our younger students to develop their athleticism, sportsmanship, and team spirit.

Alongside the galas this week, the treasure pickup challenge also ran in the Early Years- Y2 classes for some fun competition. It was a good pool activity for them to maximise their ability to explore, go underwater to collect items from the bottom of the floor and help each other out to put items into their boxes.

Thank you so much to the Swim Coaches and staff who were supporting throughout the event.

Coach Zyanne

EY trip to Starship Galactica

Our Early Years children had an exciting trip to Starship Galactica in 1 Utama. They engaged in a variety of activities that helped develop their gross motor skills, language and communication abilities, and social skills. The children demonstrated confidence, joyfulness, and respect as they took turns, acted responsibly, and thoroughly enjoyed themselves.

Year 1 trip to Butterfly Farm

This week year 1 have been creating their own butterfly fact files in preparation for the trip to the Butterfly Farm today. The trip also served as an 'exit point' for their IPC 'Green Fingers' topic. The children had a great opportunity to apply lots of their learning about the plants and animals they explored.

Archive of Seesaw Classes

On the last day of school, Thursday 27th of June, Seesaw classes will be archived at 4:30pm. Should parents need to contact the class teacher, please do so beforehand. After Friday 28th of June, should you need to contact the school, kindly do so by contacting the Elementary School office. Your child's journal will still be accessible to you via the Seesaw app. The journal contains all their previous work and will not be lost as this moves up with them throughout their time in the Primary School.

Reminder: End of Year Reports available now

Your child's End of Year report is now available through the Parent Portal in ISAMS.

The address for the SJIIS Parent Portal is [here](#)

Should you have forgotten your username or password please reset it via the 'forgotten your details' link.

If you have any difficulty accessing the portal please contact the SJIIS Helpdesk at: helpdesk@sj-i-international.edu.my.

Reminder: Parent Drop Ins

After receiving your school report, if you wish to meet with a teacher for further clarification or discussion, you are welcome to contact your child's class teacher or relevant specialist teacher, on Seesaw to arrange a suitable time for a 'drop in'. The available times for these meetings are on Monday, 24th June, and Tuesday, 25th June, from 3:10 to 4:30PM. Prior communication with teachers is essential to avoid scheduling conflicts.

Class Lists

Along with your child's report, you will have also received their class list for next academic year. This was sent as a separate email to your SJIIS email. The teachers and senior leadership team have spent significant time working on class lists to get a balanced mix of students. You may notice that at the moment, some class lists are larger than others. This will be balanced out with the new student intake over the summer, so please do not worry.

LYM - Zomi Day Out!

Today, we brought 37 children from Zomi Education Centre to the school for sports, activities, as well as a STEM Workshop by Sanctorum Racing. They were also gifted with stationery packs from Year 7's LEdu projects. We hope they had an enjoyable half-day at our school!

Sanctorum Racing - Inaugural EV Karting House Competition

On 20th June 2024, Sanctorum Racing held its inaugural EV Karting House Competition in school and in Evolt Karting. Students had the opportunity to learn about EVs and sustainability, before travelling to Evolt Karting for a karting workshop and a full Grand Prix experience! House points will be announced next week, but a massive congratulations to Bowen Cheong (1st), Raphael Yap (2nd) and Tristan Soh (3rd), the podium sitters of the final race!

Project Seed by Seed

Last term, Kita Kitar Interns Ezra and Kaylyn from Y12 launched Project Seed by Seed: an environmental project with a local focus on mangroves. The project opened with a talk by Peter Ong from Roots & Shoots Malaysia, and a green cafe that raised awareness about food scarcity, and simultaneously fundraised for the next phase of the project.

On the 15th of June, the pair organised a mangrove seedling planting trip with 20 students from Y10, Y12, and 32 students aged 13-18 from Ruth Education Centre- a centre providing education for Myanmarist refugees. The event was arranged in collaboration with Wetlands International and Selangor Forestry, who supplied the seedlings. At the planting site in Sabak Bernam, SJI and REC students worked together under the scorching sun to plant a total of 300 mangrove seedlings. Please read more info [here](#).
