End of Term 3 Performing Arts Assembly

The last week of the academic year was a chance to showcase the achievements and talents of our performing arts CCAs as well as a selection of our talented individual music instrumental students. It was a lovely opportunity for parents and students to see what can be achieved with the virtues of determination, courage and excellence so clearly demonstrated by all our performers.

Year 6 Graduation

Following their grand performance of Peter Pan last week, our year 6 students were on stage again this week but this time in celebration of their graduation from Elementary School. The year 6 teachers, Ms Fedorowicz, Mr Cairns, as well as a selection of year 6 students, all shared heartwarming and emotional speeches about this special group of students, many of whom are our founding students in Nursery. For those that are leaving SJIIS, we wish you well in your future endeavours and for those returning to year 7 next year, we look forward to seeing your Lasallian journey continue. Remember, once a Lasallian, always a Lasallian!

Archive of Seesaw Classes

A reminder that Seesaw classes have now been archived for this academic year. Should you need to contact the school over the holidays, kindly do so by contacting the Elementary School office. Your child's journal will still be accessible to you via the Seesaw app. The journal contains all their previous work and will not be lost as this moves up with them throughout their time in the Primary School.

High School trips

Year 7 Trip - 'Inside Out'

On Wednesday, Year 7 had their end of year trip centred around the movie franchise 'Inside Out'.

Students spent the day at Tropicana Gardens Mall and at SJIIS, watching the 2 films, eating an array of food, reflecting both individually and within groups about the films and analysing the emotions in the films.

The work students produced in their booklets was beautiful and teachers were impressed by the "emotive" conversations going on! We really feel that students learnt more about adolescence and mental health, whilst building the virtues of **Empathy, Tolerance, Communication, Reflection** and **Collaboration**, to name a few.

Students had a great time and we look forward to announcing the winning newspaper article in Year 8! Congratulations on completing your first year in High School, Year 7! Enjoy this time off to rest and reflect and remember... **"Feel everything!"**

Year 8 Trip to District 21: A Day of Adventure and Bonding

"Our Year 8 students visited District 21, an indoor adventure park that provided a range of exciting opportunities for students to develop character and strengthen relationships within the year group. The park's variety of activities, including climbing walls, obstacle courses, and trampolines, ensured there was something for everyone to enjoy.

Throughout the day, students displayed remarkable bravery and teamwork. Some faced their fear of heights, while others showcased their adrenaline-junkie side, tackling the more challenging activities with enthusiasm. The positive energy was palpable, with students cheering each other on and demonstrating exemplary conduct from start to finish.

This trip not only allowed the students to have fun and unwind but also provided an excellent platform for them to bond and support one another. It was heartwarming to see the camaraderie and encouragement shared among the year group.

The visit to District 21 was a fantastic way to end the year. The students' courage, cooperation, and positive attitudes made the trip a memorable and successful experience for everyone involved."

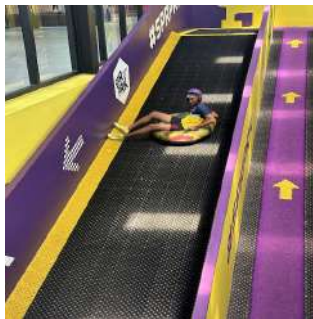

Year 9 trip to Zoo Negara

"Year 9 enjoyed a fun-filled day at Zoo Negara. All Year 9 pupils were guided around the zoo in the morning by the Rangers, being introduced to a variety of weird and wonderful animals. They were then treated to an entertaining show, which was enthusiastically followed by lunch! With full bellies, pupils set off to explore the Zoo in their groups, complete a Treasure Hunt activity and locate some of their favourite animals. Obviously, the Pandas seemed very popular! Year 9 conducted themselves superbly throughout the day, they were a credit to the school and all appeared to have had a good day out!"

High School trips

Year 10 trip to Superpark

Year 10 visited Superpark in Avenue K mall. It was safe to say they had a great time jumping, sliding, climbing, hiding the list goes on! It was great to see so many happy faces after an intense few weeks of end of year exams.

Year 11 trip to Kuching, Sarawak

The Year 11 students went to Kuching, Sarawak from July 18th - 21st. We did a number of activities such as visiting the Sarawak Cultural Village, Semengoh Wildlife Centre to see the Orangutans and our service project, Kayaking, hiking at the Bako National Park, visiting Kuching town and then finishing off with a Steam boat dinner. As you can see from the photos, we had a great time interacting with each other, the culture and with nature. For the Year 11 students, this was the last time they were together as a cohort, before they move on to their next phase of their educational journey.

Miguel Day, 21st May 2024

We would like to update you regarding the money raised at the final Saints Day of 2024. Miguel house raised Rm1,682.10 which will be donated to the Philippine Eagle Foundation. Thank you to all who participated in this event and a special thanks to the House Captains for all their efforts in making this day a success!

HS Competitive Golf Squad

Next academic year we are hoping to bring together students at the school who play golf to start developing a squad with the intention of competing at the FOBISIA Golf tournament in March 2025. If your child is interested in being a part of this then please see our [parent letter](#) and register your interest using the google form there.

High School Leaving Staff

Today we had our final High School assembly for our leaving staff. We heard some lovely tributes and they received a scroll of farewell and thank you messages from students and staff alike. It was a lovely way to celebrate and recognise all that these teachers have given to our school community over the years. They will be missed and we wish them well in their next chapter!

LYM Update

From organising Founder's Week to inviting over 80 children to school for 2 Lasallian Days Out, the LYM have been very busy this term! Read more about our Term 3 projects [here](#). We hope our projects were able to reach their intended audiences, and we look forward to continuing our mission and working with the Brothers in the upcoming academic year!

Spirit Day

Last Friday, the Year 12 student leaders came together to organise Spirit Day for Term 3! High School spent a day off-schedule, instead replaced by student-led activities. We worked tirelessly to put this day together, and are more than appreciative of how well it went.

The LYM Leaders ran the 'Rescue De La Salle' activity – an escape room-styled activity that saw tutor groups working together to solve a series of puzzles and clues to ... you guessed it – rescue De La Salle! The PALs organised a lunchtime busking/karaoke session, where high school students were invited to perform their favourite songs and have fun with their friends! The House Captains and Sports Leaders ran three sports; football, dodgeball, and basketball. With the motivation of house points, competition between the houses was seriously intense. To finish off the day, the SRC ran their annual 'Amazing Race', a circuit of activities that students complete in teams within their house - all in a mix of year groups! It was really great to see the connections students made between each other, and even more so to see the triumph of the top teams.

We hope that High School enjoyed Spirit Day this term and were able to finish off the year on a high. Happy holidays!

HS Lasallian Staff Member of the Week : Mr Phillip Weatherup
